Vice Chancellor’s Research Impact and Engagement Awards 2021
Nomination Form – Established Researcher Awards

Please review the Guidance for Nominees before completing the application form. All sections of the form need to be completed within the specified word limits.

The deadline for applications is 15 June 2021. All nominees will be invited to attend the award ceremony on the afternoon of 7 October 2021 in The Old Schools, restrictions permitting. Please hold this date in your diary.

IMPORTANT: Please note that the application must be filled in one session. The form does not have a "save and return later" option. If you end your session without completing the form with your final answers, you won't be able to return to it. Each answer is saved when you move to the next page pressing the right arrow button. We recommend looking at the pdf document of the application available on the website to prepare all the answers and documents required in advance and start filling this form once ready to submit.

For any questions, please contact: selen.etingubreslaw@admin.cam.ac.uk

A) Nominee/Applicant details

Name

School

- Arts and Humanities
- Humanities and Social Sciences
- Biological Sciences
- Physical Sciences
- Clinical Medicine
- Technology
Independent of schools, please specify:

Faculty/Department/Institute/Office/College

Email Address

If applicable, please indicate any websites or social media accounts associated with this project.

Project title
Maximum 30 words

Summary (for publication)
Maximum 100 words

Please write a short compelling statement summarising your relevant achievements. This will be used in print and online promotional material. For consistency please follow the suggested format.

(Your name/project name) is....

B) Research
Details of underpinning research

Write in an accessible style; assessors will not necessarily be from your specific research field.

Maximum 200 words

What research underpinned the impact/engagement? Was there a particular problem the research sought to address? Clarify the nature of the research and describe the methodologies used and the key findings. Describe more than just the publications and goals.

(Please note that underpinning research has to be conducted from January 2000 to date with impact generated from August 2013 to date)

Research Publications

List up to five research publications associated with the underpinning research.

(Please note that underpinning research has to be conducted from January 2000 to date with impact generated from August 2013 to date)

Details of Research Impact and Engagement

Write in an accessible style; assessors will not necessarily be from your specific research field.

Maximum 500 words

Please explain how you have designed and carried out or supported activities to engage your key audiences, what has been achieved to date and what impact has occurred and/or can reasonably be anticipated. Briefly explain the stakeholders/partners selected, how they contributed to the engagement activities and the impacts the activities had on them.
Please demonstrate how you have taken a reflective/evaluative approach to your work and how learning has been shared more widely.

Current restrictions (If applicable)

Maximum 200 words
Outline how COVID-19 restrictions changed your approach to engagement.

Stakeholder/ Partner Testimonial

Maximum 200 words
If you worked closely with a research or impact delivery partner or stakeholder group please include testimonial evidence/feedback here. Alternatively, nominees are permitted to attach a 1 page letter of support from their partner organisation to the nomination form.

Please include contact information for the external organisation/group.

Is there anything else you would like to add in support of your nomination/application?
We will be using these awards to promote excellence in public engagement and impact at the University of Cambridge through the production of case studies for distribution internally and externally through digital channels. If you would like more information about this or feel it would be inappropriate to feature your research in this way, please let us know.

Are a head shot of the nominee/applicant and project pictures submitted with application? (Pictures will be featured during the award ceremony as well as in the promotion of the event)

☐ Yes, pictures are attached
☐ I don't have access to pictures, please do get in touch with:
☐ Other:

If there are any documents you would like to submit in support of your application, please upload:
