---

---

---

---

End of Block: A) Applicant details

Start of Block: B) Research

**Details of underpinning research Write in an accessible style; assessors will not necessarily be from your specific research field. Maximum 200 words** What research underpinned the impact/engagement? Was there a particular problem the research sought to address? Clarify the nature of the research and describe the methodologies used and the key findings. Describe more than just the publications and goals. *(Please specify the date/year of underpinning research)*

---

---

---

---

---

---

**Research Publications** List up to five research publications associated with the underpinning research.

---

---

**Details of the engagement methods used and the resulting impact** Write in an accessible style; assessors will not necessarily be from your specific research field. **Maximum 750 words** Please explain how you have designed and carried out or supported activities to engage your key audiences, what has been achieved to date and what impact has occurred and/or can reasonably be anticipated. Briefly explain the stakeholders/partners selected, how they contributed to the engagement activities and the impacts the activities had on them. Summarise the collaborative nature of the project/activity and how team members contributed /added value to the success of the overall project. Please demonstrate how you have taken a reflective/evaluative approach to your work and how learning has been shared more widely. (Please specify the date/year of impact)

---

---

---

---

---

---

---

**Stakeholder/ Partner Testimonial Maximum 200 words** If you worked closely with a research or impact delivery partner or stakeholder group please include testimonial evidence/feedback here. Alternatively, nominees are permitted to attach a one page letter of support from their partner organisation to the nomination form. Please include contact information for the external organisation/group.

---

---

---

**Is there anything else you would like to add in support of your nomination/application?**

---

---

---

---

---

---

**We will be using these awards to promote excellence in public engagement and impact at the University of Cambridge through the production of case studies for distribution internally and externally through digital channels.**

If you would like more information about this or feel it would be inappropriate to feature your research in this way, please let us know.

---

---

---

---

---

**Are a head shot of the nominee/applicant and project pictures submitted with application?**

(Pictures will be featured during the award ceremony as well as in the promotion of the event.

- Yes, pictures are attached
- I don't have access to pictures, please do get in touch with:  
\_\_\_\_\_
- Other:

---

**If there are any documents you would like to submit in support of your application, please upload:**

Please also mention in your application that you submitted additional documents. i.e., Please find attached my head shot, a copy of my testimonial, etc.

Please label each additional document you upload so that they can be easily matched with your application using the following format i.e., content of doc followed by your name:

for headshots: "headshot\_name of applicant"

for testimonials: "Testimonial\_T1\_content (recommendation letter, reference, ....)\_name"

**End of Block: B) Research**
