2023 Vice-Chancellor's Research Impact and Engagement Awards

Application form for the Collaboration Award

The deadline for applications is Thursday 5 October at 11.59pm

- Please review the award guidance before completing this application form.

- All sections must be completed within the specified word limits.

- IMPORTANT: this form does not have a 'save and return later' function so this application must be completed in one session

- We recommend looking at the pdf version available on our website and preparing your answers and documents in advance

- Judging will take place in November and we will announce our winners and runners-up live at the Award Ceremony on the afternoon of Tuesday 12 December. All applicants and their guests will be invited. Please hold this time in your diary.

Any questions, please contact the public engagement team:

publicengagement@admin.cam.ac.uk

Q1.
Lead Researcher Name

This will be the main contact for the award

```
                                                                    
```

Q2. Role / position

```
                                                                    
```

Q3. Role within the project

```
┌─────────────────────────────────────────────────────────┐
│                                                         │
│                                                         │
│                                                         │
└─────────────────────────────────────────────────────────┘
```

Q4. Email Address

```
┌─────────────────────────────────────────────────────────┐
│                                                         │
│                                                         │
│                                                         │
└─────────────────────────────────────────────────────────┘
```

Q5. School

○ Arts and Humanities

○ Humanities and Social Sciences

○ Biological Sciences

○ Physical Sciences

○ Clinical Medicine

○ Technology

○ [   ] Independent of schools, please specify:

Q6. Faculty / Department / Institute / Office / College

[ ]

Q7a. Internal team members

If you have more than one internal team member, please use commas to separate details for each person. For example:

Name: John Smith, Jenny Doyle, Michal Dai

School: Physical Sciences, Physical Sciences, Technology

Department / Faculty / Institute / Centre: Physics, Chemistry, Engineering

Team role: Technician, PostDoc, PhD student

Name   [ ]

School   [ ]

Department   [ ]

Role in the project

Q7b. Eternal team members

If you have more than one external team member, please use commas to separate details for each person. For

example:

Name: Clare Jones, Aanya Rahman, Luca Rossi

Organisation: City Council, Alzheimer's Research UK, Alzheimer's Research UK

Role within project: Researcher, Policy Expert, Administrator

Name

Organisation

Role within the
project

Q8.

Project title (maximum 30 words)

Q9.

Summary for publication (maximum 100 words)

Please write a short compelling statement summarising your, and the projects, achievements. This will be used in print

and online promotional material.

B) Research and Engagement

Q10. Describe the research that underpins the engagement you have undertaken and impact you have achieved (maximum 250 words)

Write in an accessible style, assessors will not necessarily be from your research field.

- What particular problem did your research seek to address?

- What was your role in the research?

- What were the key findings?

- Describe more than just publications and goals.

Q11.
Research Publications

List up to five research publications associated with the underpinning research

Q12. Detail the engagement you have undertaken and the resulting impact you have achieved (maximum 750 words)
Write in an accessible style, assessors will not necessarily be from your research field

- Outline which engagement routes and methods your project employed.

- Summarise the collaborative nature of the project, how the partnership works and what each of your organisations brings to the project.

- Discuss which communities and stakeholders you have engaged with and why.

- Outline what has been achieved to date, what impact has occurred and/or can be reasonably expected and over which timescales?

- What benefits has this work had to the research, your external partners and/or the communities and stakeholders you have engaged with?

- Demonstrate how you have taken a reflective/evaluative approach to the work and how learning has been shared more widely.

Q13. Digital presence

If applicable, include details of websites or social media accounts associated with this project

Q14.
Testimonial

Include testimonial evidence from external partners and collaborators here. Alternatively, you are welcome to attach a

one page letter of support to this form. Please include contact details for your external partner / collaborator.

Q15. Is there anything else you would like to add in support of your nomination/application?

Q16. We will be using these awards to promote excellence in public engagement and impact at the University of Cambridge through the production of case studies for distribution internally and externally through digital channels.

If you would like more information about this or feel it would be inappropriate to feature your research in this way, please let us know.

Q17. Images of you and or team and of your project

Please submit images of you and your project.

These will be used in the promotion of the event.

Please only include images you have permission to share and for the University to use.

○ Yes, pictures are attached

○ I don't have access to pictures, please do get in touch with:

○ Other:

Q18. Do you have any documents to support your application?

Upload these here. Please label documents so they can be easily matched with your application. For example:

Headshot: headshot_applicantname

Picture from the project: projectimage_applicantname

Testimonial: testimonial_applicantname
