A) Applicant details

2023 Vice-Chancellor's Research Impact and Engagement Awards

Application form for the Established Academic Award

The deadline for applications is Thursday 5 October at 11.59pm

- Please review the award guidance before completing this application form

- All sections must be completed within the specified word limits

- IMPORTANT: this form does not have a 'save and return later' function so this application must be completed in one session

- We recommend looking at the pdf version available on our website and preparing your answers and documents in advance

- Judging will take place in November and we will announce our winners and runners-up live at the Award Ceremony on the afternoon of Tuesday 12 December. All applicants and their guests will be invited. Please hold this time in your diary.

Any questions, please contact the public engagement team:

publicengagement@admin.cam.ac.uk

[   ]

Are you applying:

○ As an individual

○ On behalf of you and your research team

If you are applying on behalf of your research team please include the names of your team here.

If you have more than one team member please separate details of each person using commas. For example:

Name: John Smith, Jenny Doyle, Michal Dai

Team Role: Technician, PostDoc, PhD student

Name

Team Role

Project title (maximum 30 words)

Summary for publication (maximum 100 words)

Please write a short and compelling statement summarising your and the projects achievements. This will be used in print and online promotional material.

Digital presence

If applicable, include details of websites and/or social media accounts associated with this research

B) Research and engagement

Describe the research that underpins the engagement you have undertaken and the impact you have achieved (maximum 250 words)

Write in an accessible style, assessors will not necessarily be from your research field.

- What particular problem did your research seek to address?

- What was your role in the research?

- What were the key findings?

- Describe more than just publications and goals.

Research Publications

List up to five research publications associated with the underpinning research.

Detail the engagement you have undertaken and the resulting impact you have achieved (maximum 750 words)
Write in an accessible style, assessors will not necessarily be from your research field

- What was your role in the engagement and impact process?

- Outline which engagement routes and methods you employed.

- Discuss which communities and stakeholders you have engaged with and why.

- Summarise the collaborative nature of the project, your role and the role of the communities and stakeholders.

- Outline what has been achieved to date, what impact has occurred and/or can be reasonably expected and over which timescales?

- What benefits has this work had to the research/researchers you have supported and to the communities and relevant parties you have engaged with?

- Demonstrate how you have taken a reflective/evaluative approach to your work and how your learning has been shared more widely.

Testimonial

Include testimonial evidence from external partners and collaborators here.

Alternatively, you are welcome to attach a one page letter of support to this form.

Please include contact details for your external partner / collaborator.

Additional information

Is there anything else you would like to add in support of your application?

[   ]

Sharing success more widely

We use these awards to promote excellence in engagement and impact at the University of Cambridge through case studies and

news stories both internally and externally. If you would like more information about this, or feel it would be inappropriate to feature

your research in this way, please let us know.

[   ]

Images of you, your team and your project

Please submit images below. These will be used in the promotion of the event. Please only include images you have

permission to share and for the University to use.

☐ Yes, pictures are attached

☐ I don't have access to pictures, please do get in touch with:
