

## A) Applicant details

### **2023 Vice-Chancellor's Research Impact and Engagement Awards**

Application form for the Professional Services Award

The deadline for applications is Thursday 5 October at 11.59pm

- Please review the award guidance before completing this application form
- All sections must be completed within the specified word limits
- IMPORTANT: this form does not have a 'save and return later' function so this application must be completed in one session
- We recommend looking at the pdf version available on our website and preparing your answers and documents in advance
- Judging will take place in November and we will announce our winners and runners-up live at the Award Ceremony on the afternoon of Tuesday 12 December. All applicants and their guests will be invited. Please hold this time in your diary.

Any questions, please contact the public engagement team:

publicengagement@admin.cam.ac.uk

/

## B) Research and Engagement

Describe how you have worked with researchers to undertake engagement and achieve impact

Write in an accessible style, assessors will not necessarily be from your field (maximum 250 words)

- Which particular problem did the research seek to address?
- Which researchers and/or academic groups did you work with?
- Outline your role in the project and the specialist expertise you provided.
- How did the researchers benefit from your input?

Detail the engagement you have undertaken together with researchers and the resulting impact that was achieved. Write in an accessible style, assessors will not necessarily be from your research field (maximum 750 words)

- Outline which engagement routes and methods you employed.
- Discuss which communities and stakeholders you have engaged with and why.
- Outline what has been achieved to date, what impact has occurred and/or can be reasonably expected and over which timescales?
- What benefits has this work had to the research and the communities and stakeholders you have engaged with?
- Describe how you have taken a reflective/evaluative approach to your work.
- Demonstrate how you have shown leadership in creating, adopting or supporting innovative approaches to impact and engagement activity.

## Testimonial

Include testimonial evidence from external partners and collaborators here.

Alternatively, you are welcome to attach a one page letter of support to this form.

Please include contact details for your external partner / collaborator.

### Additional information

Is there anything else you would like to add in support of your application?

### Sharing success more widely

We will be using these awards to promote excellence in engagement and impact at the University of Cambridge through case studies and news stories both internally and externally. If you would like more information about this or feel it would be inappropriate to feature your research in this way, please let us know.

## Please submit images of you and your project.

These will be used in promotion of the awards. Please only include images you have permission to share and for the University to use.

Yes, pictures are attached

I don't have access to pictures, please get in touch with:
